

Project Title: Adult Health & Wellbeing		
Product Description: To promote a healthy population in Winsford & Rural East through the following : <ul style="list-style-type: none"> • Reducing mortality rates • Reducing health inequalities in particular amongst those classified as obese and in areas where there is a high prevalence of smoking • Reduce teenage pregnancy • To improve access and quality of health services • To reduce the harm caused by alcohol and substance misuse 		
Report for the period: July 2011	Report by: Jonathan Griffiths – Chair Vale Royal Commissioning Board	
Achievements in the Period:		
<ul style="list-style-type: none"> • Roll Out of Condom Distribution Service – training event delivered with voluntary sector partners & agreement reached to operate CDS Scheme in Winsford E-Act Academy • Links made with Winsford E-Act Academy to promote the CWP Programme for the delivery of Sex & Relationship Education (SRE) in the secondary school • Reconfiguration of Health & Wellbeing Group to include teenage pregnancy priority in line with future partnership framework changes • Delivery of Cancer Awareness Sessions (DBACC) in Winsford Town Centre through partnership working between Central & Eastern Cheshire Primary Care Trust, Cheshire West & Chester Council and Weaver Vale Housing Trust • Links developed with Adult Learning in Cheshire West & Chester Council to explore the feasibility of commissioning the delivery of Healthy Eating Workshops in Winsford 		
Opportunities to be exploited:		
<ul style="list-style-type: none"> • Analysis being undertaken through the Area Asset Management Plan of bringing forward an additional site for either allotments or a community garden in Winsford • Continue to work in partnership with a number of agencies to promote healthy eating in Winsford • Need to develop links with Winsford Primary Schools to encourage the take-up of the Christopher Winter Programme of SRE • Investigate the potential with Central & Eastern Cheshire Primary Care Trust and School Nurse Partnership of delivering a sexual health drop-in at Winsford E-Act Academy 		
Risks to be Managed:		
<ul style="list-style-type: none"> • Identify key representatives for Public Health in both PCTs to focus on delivery through the Task Group approach • Awaiting outcomes of the review of CASH Services by Central & Eastern Cheshire Primary Care Trust 		
Next steps:	Action by:	By when:
