

**Taking forward the Sustainable Community Strategy Commitments:
FEEDBACK FROM WORKSHOPS 27 APRIL 2010**

10. Improving access to good quality and affordable homes

i. What particular aspects of this commitment should we be focusing on initially?

- Sustainable design and locations
- Need for better planning

ii. Are there any particular communities/areas/issues in need of improvement activity that we should focus on?

- Too wide ranging – balance between green belt and brownfield locations

iii. Are there any areas of good practice that we can build on?

- Need to ensure new housing meets the most sustainable standards

iv. Any opportunities for innovative activity?

-
