

**Taking forward the Sustainable Community Strategy Commitments:
FEEDBACK FROM WORKSHOPS 27 APRIL 2010**

15. Adapting built and natural environments to be resilient to climate change

i. What particular aspects of this commitment should we be focusing on initially?

- Maintain the level of investment, and increase investment in highway maintenance
- More focus on developing green infrastructure projects
- Tackling flood risk

ii. Are there any particular communities/areas/issues in need of improvement activity that we should focus on?

- Maintenance – County wide
- Green Infra structure – focus on Northwich area to build a new joint working group
- Flood risk needs tighter controls

iii. Are there any areas of good practice that we can build on?

-

iv. Any opportunities for innovative activity?

-
