

**Taking forward the Sustainable Community Strategy Commitments:
FEEDBACK FROM WORKSHOPS 27 APRIL 2010**

5. Engaging with and supporting our communities to take positive action on climate change and sustainable living

i. What particular aspects of this commitment should we be focusing on initially?

- Support for renewable energy schemes especially improving energy efficiency of housing stock
- Better integration of passenger transport
- Better knowledge/awareness of alternative low/no carbon forms of transport

ii. Are there any particular communities/areas/issues in need of improvement activity that we should focus on?

- Energy audits provided by partners

iii. Are there any areas of good practice that we can build on?

- Chester cycle demonstration town needs a higher profile

iv. Any opportunities for innovative activity?

- Consider reduction in Council tax for highest energy efficiency homes
